

Parent-Teen Driving Agreement

Parent-Teen Driving Agreement

This contract is designed to be mutually agreed by all parties involved, Parents AND the New Driver. By signing this agreement, both parties agree to obey all the rules and conditions stated in this contract.

We understand bad things happen, mistakes are made and things spoken are sometimes misunderstood, but by signing this contract and agreeing to the rules, we agree that we will obey the rules and will stand by the consequences should any rules be broken.

In addition, this is an evolving contract and can be reviewed and renegotiated at any time.

Parents' Pledge

I promise to help my New Driver learn how to drive by using love, patience and support. I understand and accept that this is a learning process and promise to do everything in my power to be a good role model and understanding instructor. I also pledge that I will be encouraging rather than critical, that I will demonstrate patiently, rather than complain. I will be patient and allow my New Driver to progress at his/her own speed and will not try to rush or hurry the process. I recognize that learning to drive is a mental AS WELL AS a physical skill that needs to be nurtured and practiced – in a loving and supportive manner.

I will abide by the rules and regulations established by my parents and if I break a rule I will willingly face the consequences we have agreed upon.
